

Membership has its benefits!

Dear CES Manitoba Members,

The Canadian Evaluation Society wants to be sure all members are aware of the range of benefits available, and how to access them!

A growing list of member perks and benefits

Take a look at the many cost-savings and benefits for CES members:

CES now has a number of business discount programs which we hope to keep active through usage by CES Members, Chapters and Committees:

- 10% reduction on [Provalis Research products for quantitative and qualitative analysis](#)
- NEW * Save up to 20% on print, copy and design services with [Staples Copy & Print Business Discount Program](#)
- Discounted group Home and Auto Insurance with [TD Insurance Affinity Meloche Monnex](#)
- Discounted Association-Based Professional Liability (aka Errors & Omissions) as well as General Corporate Liability Insurance [Hub International](#)
- Corporate rates on car rentals with [National](#) and [Enterprise](#)

Some feedback from members:

"I have just purchased car insurance with TD under the CES package. Same cars as last year, and same coverage = \$846 instead of \$1,600! And we saved about \$1,500 on the house+cottage insurance!"

"I saved about 20% lower than the next cheapest car rental option using CES' member code for National Car rental; best to compare each time to be sure"

"My insurance broker confirmed that there is no way they could beat the Hub package for CES' professional liability (E&O) and general corporate insurance!"
