

Canadian Evaluation Society – Manitoba Chapter (CESMb)

Mission: CESMb will advance evaluation theory, knowledge and practice through leadership, advocacy, and professional development for members and non-members

Vision: CESMb leads the professional community of evaluators, positioning and building evaluation theory and practice

Values: CESMb is committed to the following values: propriety, feasibility, utility and accuracy

- **Ongoing Communication and Feedback with members and non-members to determine their needs and wants allowing CESMb to provide relevant, appropriate opportunities as related to evaluation (both formal and informal through conversations and CES MB surveys)**
- **Alignment with the work (Mission, Vision & Values) of CES National**
